**Diagram 1. Harry Velraeds - Brion Koullen 0 - 3**

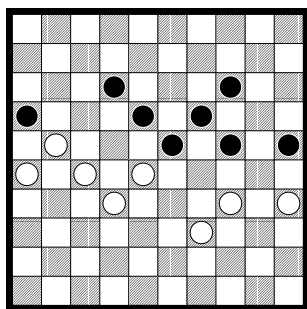

Het begin van de witte problemen ontstaat door 34. 47-41? Aangewezen was het actievere 43-38, de partijzet 10-14 kan nu niet vanwege 32-27. Truus gaat dan verder met een variant waar de witspeler wel schrik gehad voor zal hebben 24-29 33x24 22x44 40x49 19x30 35x24 maar zwart heeft niet meer dan gemakkelijker spel.

**Diagram 2. Juul Meesters - Henk Bosch 1 - 1**

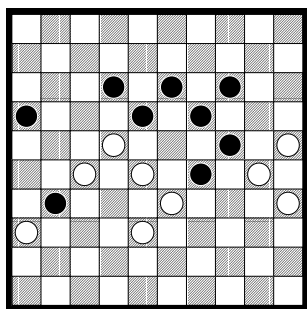

Zwart had de barrage kunnen ontlopen 26-31 27x36 16-21 17x26 en dan pas 33-39 die in de partij direct volgde is winst. Als wit met 26 gaat lopen zal later de klemzet 14-20 zijn werk doen en de enige andere variant 32-28 23x32 26-21 39-44 21-17 44-50 17-12 50-28! Nu gaat met 12 spelen niet vanwege weer 14-20 en na eerst 25-20 wint zwart gemakkelijk.

**Diagram 3. Zelfde partij**

Juul had het goed voor mekaar en leek even degradatie te ontlopen maar met 28-23 geeft hij alles weg (zie partij) aangewezen is het gambiet 27-22 18x27 43-39, een variant 3-8 42-37 (nu op 8-12 36-31 27x36 28-22 enz.) dus 24-29 (de enige) 39-33 29-24 30x39 en de schijfwinst is niet meer te voorkomen.

#### **Diagram 4. Martijn van Gortel - Piet Moerenhout 3 - 0**

De 50<sup>e</sup> zet van zwart natuurlijk in tijdnood zal zwart fataal worden, na 12-17 volgt en een eindspel dat wit die zeer belangrijke volle winst opleverd. Als zwart echter in het diagram 23-29 laat volgen is er helemaal niets meer te halen. Een klein verschil met enorme gevolgen.

#### **Diagram 5. Dieter van Gortel - Nico Verjans 1 - 1**

Net als Juul Meesters had ook Nico Verjans degradatie op de valreep kunnen voorkomen, Het afmaken van deze gewonnen stand was dan wel voorwaarde. 18-23! Direct 22-18 geeft een kansloze afwikkeling voor wit als resultaat en het alternatief 25-20 14x34 en dan pas 22-18 23x21! 18x7 is ook kansloos uit. Zwart nam echter met 29-34 een remise combinatie...?

Barrage met verkorte speelduur (1 uur per speler per partij)

Gespeeld op 7 juni in Geleen.

**Diagram 6. Peter Schellekens - Eddy Bude 0 - 3**

Ook in de tweede barrage partij had wit het hier remise kunnen houden door een verrassende combinatie, 28-23 19x26 27-21 29x49 21x5 en ondanks een schijf meer voor zwart zal wit gemakkelijk remise kunnen maken.
